

Kiosk Options

THE HIVE

Versatile Credit has developed a series of kiosks that provide an engaging and easy-to-use screen for customers to interact and apply for credit.

The Hive is a beautifully designed and compact kiosk. Available in eight standard colors and custom hues, it is perfect for a wide range of retail stores. We maintain a stock of black, grey and white units. Other colors are custom ordered and may require a longer lead time.

An external Zebra printer is included in the package.
